MAXIMA È L'EFFETTO *PIETRA PIASENTINA* CHE RILEGGE UNA TRA LE SUPERFICI PIÙ APPREZZATE NEL MONDO OUTDOOR. IL FONDO COMPATTO SOLCATO DA LEGGERE VENATURE BIANCHE E PICCOLI SPRAZZI COLORATI, RICHIAMA LA PIETRA DI RIFERIMENTO CON AUTENTICA ELEGANZA.

Maxima est l'effet *Pietra Piasentina* qui traduit l'une des surfaces les plus appréciées en extérieur. Sillonné de légères veines blanches et de petits éclats colorés, le fond compact rappelle la pierre de référence avec une élégance authentique.

MAXIMA IS THE *PIETRA PIASENTINA* EFFECT THAT REINTERPRETS ONE OF THE MOST POPULAR SURFACES FOR OUTDOOR USE. THE COMPACT PLAIN TILE STREAKED WITH LIGHT WHITE VEINS AND SMALL SPLASHES OF COLOUR EVOKES THE ORIGINAL STONE WITH GENUINE ELEGANCE.

Maxima ist eine keramische Interpretation des *Pietra Piasentina*, ein beliebtes Belagsmaterial für den Außenbereich. Der kompakte, von feinen weißen Äderungen und kleinen Farbakzenten durchzogene Untergrund strahlt die ursprüngliche Eleganz der Steinvorlage aus.
