

LOGICO

SolidCharm

Il fascino del rigore. La regola che accoglie l'eccezione.
Ogni elemento è esattamente dove deve essere.
Non ci sono allusioni, non ci sono divagazioni. È pura struttura. Bella, confortante.
È nel desiderio della fuga che confermiamo lo statuario,
il gesto severo, composto.
In pieno ascolto di ogni ouverture.

The charm of rigour. The rule that welcomes the exception.
Each element is exactly where it should be.
There are no allusions, no digressions. It is pure structure. Beautiful, comforting.
It is in the desire for escape that we confirm the stark,
the severe, composed gesture.
In full listening to each overture.
